OFFICE OF THE SECRETARY TO THE PRESIDENT

New Delhi, the 21st October 1953

No. 36-Pres/53.—The President is pleased to approve the award of Ashoka Chakra Class III to the under-mentioned for an act of gallantry performed at Hind Nagar (Korea):—

(The effective date of award is indicated in bracket against the name)

No. 6551869 Sepoy Thakur Singh ASC (25 Sep. 1953)

On the 25th September 1953, the prisoners of war, approximately 24,000 in number, became truculent and started making rowdy demonstrations against the Custodian Force, India. When the General Officer Commanding, Custodian Force was coming out of the

camp with other senior officers after giving a talk to the prisoners, Major B. S. Grewal, 8 Dogra Regt., the Chinese Interpreter, who was the last to come out, was forcibly dragged into the camp by the prisoners. Sepoy Thakur Singh, who was on duty as driver to the Deputy Commander, Custodian Force, and was standing near the gate, saw the officer being dragged into the camp by the rowdy prisoners and rushed to rescue him with complete disregard for his personal safety. The officer was being dragged from one tent to another but Sepoy Thakur Singh remained with him throughout and thus protected him from serious injury and facilitated his eventual rescue.

Sepoy Thakur Singh's magnificent example of devotion to duty and personal bravery were exemplary and reflect the highest tradition of the Army.

PUBLIC NOTICES

IMPORT TRADE CONTROL

New Delhi, the 24th October 1953

SUBJECT:—Import policy of farinaceous and patent foods falling under Serial No. 12(a) of Part V of the I.T.C. Schedule, during July—December 1953.

No. 143-ITC(P.N.)/53.—The attention of importers is invited to the entries against Serial No. 12(a) of Part V of the I.T.C. Schedule in the Red Book of July—December 1953, according to which licences for Farinaceous and patent foods canned or bottled, excluding milk foods for infants and also excluding breakfast foods (wheat flakes, corn flakes, processed Oats and shredded wheat) and Pearl Barley, will be granted on a quota of 20 per cent. Gen. and 100 per cent. Soft. In view of the reported shortage of these foods it has been decided that the quota from soft currency areas should be increased by a third, from 100 per cent. to 133½ per cent. of half of best year's imports of the above goods.

2. The relevant entry in Appendix A to the Red Book for the current half year should be deemed to have been amended accordingly.

3. It will not be necessary for holders of July—December 1953 licences already issued to present their licences to the licensing authorities for enhancement of value. The Customs authorities have been advised to allow clearance of an additional quantity of these foods to the extent of 33½ per cent. of the value of the licences held.

SUBJECT:—Import of Ink Blue for Ink Industry—Correct classification for I.T.C. purposes

No. 144-ITC(P.N.)/53.—It has been represented that Ink Blue is being classified differently, by some authorities under Serial No. 1-B/Part III and by others under Serial No. 34, Part V of the I.T.C. Schedule.

2. The question of the correct classification of this store has been examined. Ink Blue is a coal tar dye, and should consequently be classified as Dyestuffs, falling under Serial No. 1-B/III. Consignments of Ink Blue will henceforward be cleared by the Customs authorities against licences issued for Serial No. 1-B/III of the Import Trade Control Schedule. Its import against licences for Serial No. 34 of Part V will not be allowed.

3. No claims regarding revision of quotas already fixed in consequence of the above decision will be entertained.
